Wells River Savings Bank helps raise awareness of Breast Cancer

Woodsville, NH – Cottage Hospital was the fortunate recipient of a substantial donation made by the employees of Wells River Savings Bank.

Throughout the month of October, the employees of the five branch bank held various internal fundraisers, such as a bake sale, pink ribbon sale and dress down day to raise money to be donated locally to enhance the education of Breast Cancer Awareness in their community.

Mary Jo Locke, WRSB employee noted that “the employees really wanted to do something and make a difference in our community on breast cancer education, we hope the hospital will be able to use the money to increase their October 2010 breast cancer awareness campaign.”

Cottage Hospital is a 25 bed, critical access hospital serving the beautiful Upper Connecticut River Valley. For additional information regarding Cottage Hospital and any of our services, visit us on the web at www.cottagehospital.org, or call (603)747-9000.
