EMPLOYEE OF THE FIRST QUARTER NAMED AT COTTAGE
HOSPITAL

Maynard Farr has been chosen as Cottage Hospital's Employee of the First Quarter for 2009. Maynard joined the Cottage Hospital Team in December of 2007 as an Emergency Department Technician.

A co-worker nominated Maynard for this honor expressing, "... Maynard is wonderful to work with. He is unfailingly kind, generous, and responsible, regardless of whatever the situation is that faces him. He is one of those rare human beings who can communicate compassion and care to any patient, whether it is an afraid and confused elderly patient or a tearful, anxious toddler. All of us in the ED love working with him and look forward to the shifts we are assigned with him."

Maynard expressed that, "I was overwhelmed to be nominated and chosen to be Employee of the Quarter. It is indeed a pleasure to work at Cottage Hospital, whose employees are the best. I enjoy working with people who give their all to make sure that the patient receives the best care possible."

Maynard moved to Monroe, New Hampshire, in 1973, along with his wife, Barbara, when they purchased the Monroe Country Store. They have four grown children and seven grandchildren. Maynard has served as Monroe Fire Chief for 30 years and is still a member of the department. He also served on the Monroe Police Department for 27 years, the last 14 years as Chief. Maynard is a founding member of the Monroe FAST Squad and also works part time for Woodsville Ambulance.

A party was held in Maynard's honor in the hospital dining room. In addition to a cake, Maynard received a check from the hospital and a special parking space reserved for the Employee of the Quarter.
